

大地震・津波発生時等における学校の対応について

津市立南郊中学校

School's Response in the event of a Major Earthquake or Tsunami

	〈 1 〉 When an earthquake of with a seismic intensity 5 or higher occurs in Tsu city When an evacuation order is issued based on a tsunami alert or a large tsunami alert (schools with target areas)	〈 2 〉 When an earthquake with a seismic intensity of less than 5 occurs in Tsu city.	〈 3 〉 When an earthquake of seismic intensity 4 occurs in Tsu City
Before class	<ul style="list-style-type: none"> ① The school will be closed. Schools with target areas will be closed during the issuance of evacuation orders based on tsunami alert and major tsunami alert. ② Ensure safety in each household, such as evacuating to a safe place. ③ We will suspend the attendance of children until we are notified of the resumption of school. 	<ul style="list-style-type: none"> ① Including implementation of classes on the day, we will suspend the attendance of children until the school notifies us. ② After safety inspections of school facilities, and school routes, the school will contact you. 	<ul style="list-style-type: none"> ① Classes will be conducted as usual. (If it is difficult to ensure the safety of going to and from school, please refrain from going to school.)
When going to and from school	<ul style="list-style-type: none"> ① We will guide students in the school to evacuation sites, confirm the number of students, protect them in a safe place and it will be the same correspondence as when the students are at school. ② The school staff will patrol school districts and provide evacuation guidance for students on their way to and from school. We will ensure safety by sending them to their home and guiding them to evacuate to schools or temporary evacuation sites. (the faculties are able to start patrolling in the morning after coming into work.) ③ We will guide students to evacuate to a safe place. (Please have a discussion in advance with your family to know where the nearest evacuation sites are on the way to school.) 		<ul style="list-style-type: none"> ① The students will go to and from school as usual. ② The school staff will patrol school districts. (During the morning hours, the school staff will begin patrolling after arriving at school)
When at school	<p>(We will take the same correspondence if the students are at school at an early hour, at after-school activities, or at holiday club activities.)</p> <ul style="list-style-type: none"> ① We will guide students to evacuation sites, confirm the number of students, and protect them in a safe place. ② We will cancel classes and take measures to encourage students to leave school. ③ As a general rule, we will protect students until they are picked up by the parents/guardians, person requested by guardians. (Even if you do not receive a call from the school, parents are responsible to pick up the child.) ④ If an evacuation advisory is issued by a tsunami alert or an evacuation order is issued by a tsunami alert, we will evacuate to a set evacuation site according to the tsunami evacuation plan. We will protect children at evacuation sites until parents come to pick them up. The parents also should evacuate until the evacuation advisory and evacuation alert are lifted. 	<ul style="list-style-type: none"> ② Depending on the damage, we will determine whether classes can be continued and contact the parents. ③ When sending a student off from school, we will decide together with the guardian whether to let the students leave the school normally, or whether they will go home in a group led by a faculty member, or have the parents/guardians pick up the child, depending on the situation. 	<ul style="list-style-type: none"> ① Classes will be conducted as usual. ② Staff will conduct safety inspections of school facilities and school zones. *Depending on the circumstances of the damage, appropriate measures will be taken in accordance with 〈 1 〉 and 〈 2 〉 .

※About contact from the school

Schools will contact you via Machi-comi mail or emergency phone tree but we will use the disaster message dial (#171) depending on the situation.
