buthave their own shine~

Thank you very much for your collaboration on  
the PTA volunteer weeding day.

We are deeply grateful to all of you who helped to carry out the voluntary weeding of the PTA together with the community people and the PTA members on September 28th (Sat) making the environment a safe place for the children. Thanks to all of you, the surroundings of the water channel and the sports field have been transformed in an impressive way. And this year many students from Nanko Junior High School also helped. Thank you very much. And since the summer vacation, starting with the parents and guardians, we have had many volunteers who came to weed in their free time. Thank you once again to all of you. Having a feeling of gratitude to everyone in the community who warmly thinks: - If it is for the benefit of the children of Kumozu.

And always lends their kind hand and strength, I will continue to manage the school with great gratitude on a daily basis. On Saturday, October 26th, we will hold the UNDOKAI (in case it rains, it will be postponed to Saturday, the 27th). With the decrease in students, this year we will hold the UNDOKAI dividing the students into groups of 1st, 2nd and 3rd grades and 4th, 5th and 6th grades. In addition, to fully utilize the mixed grade group, in activities in which the entire school will participate, such as the opening and closing ceremonies and the cheering tents, we will hold with the mixed grade group, to deepen the relationship between the students from 1st to 6th grades. I would be very happy if the family and people from the community came to witness the great performance of the children.

The race track and field were cleared.

With the strength of the community, in an instant, you could see a lot of weeds already cleared.

This year the work of gathering the weeds was also very quick.

They left the outside clean too.

## Notices and Requests

Teacher Junko Mukai has been rehired as a part-time teacher starting October 1st. Due to the fact that Teacher Tomohiro Nakamura is being the substitute teacher of 5th A, part of the subjects that Teacher Nakamura taught until now or in the subjects that he entered as an assistant teacher, will be taught by Teacher Junko Mukai. We count on your understanding.
